

# Drive Your Life

Composer: Muhammad Dzulhusnie Bin Ramlan

Drive Your Life  
Just Say NO

Cold Sweat Dripping Down  
Drip Drip Drip All On The Ground  
You Are Hooked  
What To Do  
As Pressure Raise From One To Two

You Think You've Found The Answer  
Temporary Not Forever  
STOP Temptation  
Brings Nothing But Addiction

Your Family  
Your Loved Ones That You Ever Care  
Will Be Affected By The Choice You Make  
I Wrote A Song  
For You To Dance Along  
Remember That You Have To Stay Strong

(Chorus x 2)  
Don't Waste Your Life Away  
If You Need To Know  
All You Got To Do  
Is Just Say NO

Take The lead, Be smart  
Make The Leap, Don't Start  
Tell You What I'm Thinking About  
There's So Much More In Life

You Think You've Found The Answer  
Temporary Not Forever  
STOP Temptation  
Brings Nothing But Addiction

(Chorus x 2)  
Don't Waste Your Life Away  
If You Need To Know  
All You Got To Do  
Is Just Say NO

I Can Drive My Life Back to You

Your Family  
Your Loved Ones That You Ever Care  
Will Be Affected By The Choice You Make  
I Wrote A Song For You To Dance Along  
Remember That You Have To Stay Strong

(Chorus x 4)  
Don't Waste Your Life Away  
If You Need To Know  
All You Got To Do  
Is Just Say NO
